Golf dreaming in Central Oregon

It is no accident that Central Oregon has become one of the nation's most popular golf destinations as golfers from around the country are discovering its exceptional courses and resorts. Many have made it an annual destination for a golf trip, especially golfers from neighboring states. When you combine the outdoor activities such as biking, horseback riding, skiing, fishing, rafting and more, the area is truly a playground for families as well as golfers.

The area is ranked among the top golf destinations in the world with courses like Aspen Lakes (right), Crooked River Ranch (lower right) and Tetherow (lower left). Central Oregon is also home to some of the Northwest's top golf events like the Oregon Open, Pacific Amateur Golf Classic and Central Oregon Shootout.

There is so much to see and do, Central Oregon has become a year-round outdoor recreational paradise. With more than 300 days of sunshine a year it's easy to see why golfers and families have been attracted to this area.

RV's and golf: An open NW road

As the weather warms up, golfers traveling with recreational vehicles are beginning to hit the road. The number of RV golfers touring the Pacific Northwest has become significant – and it is a big part of the revenue for many courses, like Suntides in Yakima (far right) and Sun Lakes in Coulee City (near right). Courses with RV camping provide an experience that is much different from visitors traveling in cars. For more, please see inside.

Aspen Lakes will be the host course for Oregon Open Invitational in June

When Aspen Lakes Golf Club, in Sisters, Ore. opened 18 holes in 2000, it generated world-wide acclaim. It was a course that golfers couldn't believe - with its layout through the trees, red sand bunkers and terrific views of the nearby mountains, including the Three Sisters.

In the past 18 years the course has hosted some of the top tournaments in the Pacific Northwest. But maybe none bigger than the Oregon Open Invitational this month. The tournament will take place June 26-28 and feature the top professionals and amateurs from around the Pacific Northwest.

• What started out more than 10 years ago as a way to expose golfers to Central Oregon during the spring months, has turned into a huge event. The tournament takes place at Aspen Lakes Golf Course, Eagle Crest Resort and Black Butte Ranch. It is a three-day tournament with two-player teams and this year the field was maxed out at 168 teams. This is a tournament has been full for the last 12 years.

Here are the results for this year's event:

- First Flight - Scott Adams and Cory Pickeral, Ephrata, Wash.
- Second Flight - Sean Swope, Charleston, SC and Tim Swope, Redmond, Wash.
- Third Flight - Kim Johns and Chris Mascal, Portland.
- Fourth Flight - Gary Jones, Camas, Wash. and Tad Weigel, Portland.
- Fifth Flight - Blane McColley, Vancouver, Wash., Chad Plutchak, Camas, Wash.
- Sixth Flight - Jared Kammer, La Center, Wash., Aaron Zyph, Ridgefield, Wash.

Aspen Lakes in Sisters will host the Oregon Open Invitational in June for the first time.

Central Oregon

If you are looking for a golf trip to some award-winning courses, this is the place

Editor's note: *Inside Golf Newspaper* has traveled to the Central Oregon many times through the years. Here's a look at where to play and what is new at the courses in the area.

Juniper Golf Course

Juniper Golf Club has undergone some serious changes when in 1995 it learned that the highway bypass was coming through the golf course. City managers began to look at other options. The best one was to work on a deal with the Bureau of Land Management to acquire land just south of town and have Northwest architect John Harbottle design a new course.

In July of 2005 a completely new golf course opened about two miles south of the previous course. The clubhouse opened three months later.

When the new Juniper Golf Club opened for play it was a hit both on and off the course. *Golf Digest* took notice of the new course, naming Juniper as one of the Best New Affordable Courses (under \$75) for the 2006 golf season.

The new Juniper plays to over 7,100 yards from the tips and has some terrific scenery, with the Oregon High Desert serving as a dramatic background. Most holes have great views, but the view from the 14th tee is spectacular. The 15th hole gives golfers a nice view as well as this

par-4 features lava rock and a large sand bunker and water. The course also hosts the Oregon Open as well.

Crooked River Ranch Resort

Crooked River Ranch covers 10,000 acres of rural residential, recreational and commercial property. At Crooked River, the fifth hole, Canyon Hole, is perhaps one of the most dynamic golf holes you will come across. Here you will catch a view of the beautiful Crooked River Canyon and the river from hundreds of feet above. The ultimate challenge for those worthy, is to hit the tee shot across the corner of the canyon wall to the green. At a mere 221 yards to cut the corner, it is just the fear of losing a ball and strokes to par that makes it tough. The dogleg left hole, a 260-yard par-4, may not seem intimidating on the scorecard, but from the tee box it's another story. Long-time Director of Golf Pat Huffer has been elected into the PGA Northwest Section Hall of Fame.

Crooked River Ranch is a place for families who enjoy camping, hiking, fishing and more. Crooked River Ranch RV Park is located a short walk to the golf course, newly constructed tennis courts, pickleball courts and the swimming pool. It has 90 spaces and 20 tent spaces. The park has showers, laundry room, high speed wireless internet, and a playground.

Juniper Golf Club in Redmond has been a host course for the Oregon Open.

Crooked River Ranch offers a terrific setting for families to take their vacation.

Crooked River Ranch Golf Course

“the GEM of Central Oregon”

Enjoy the beauty and ambience of the most picturesque and enjoyable golf experience found in Central Oregon. With unmatched views of the Crooked River gorge, the golf course overlooks the river from its perch of 400 feet above. The famous No. 5 Canyon hole with its risk-reward “Go for it or go home!” attitude makes it easy to see why it won the OGA's MOST INTERESTING GOLF HOLE in Oregon contest!

Aspen Lakes Golf Club

Aspen Lakes is the result of a lot of hard work and imagination by the Cyrus family who bought the land in 1987. They turned a high desert farm land into one of the jewels in Central Oregon. They celebrated their 20-year anniversary in May, 2017 and plan on making Aspen Lakes an attractive family-time venue in the next 20 years.

If you had to pick two things that stand out at Aspen Lakes Golf Course it would have to be the unique red volcanic crushed rock sand used in the bunkers and the great views of the mountains in the Cascade Range.

Designed by Northwest golf architect Bill Overdorf, the course was named one of the "Top Ten Affordable Golf Courses" in 2001 by *Golf Digest*.

Ponderosa pines, scented juniper trees, pristine lakes and breathtaking views of the Cascade Mountains at almost every turn make Aspen Lakes an amazing all around golf experience. It's no wonder it is a popular place for families and as well as corporate outings. A new rustic clubhouse adds to the golfing experience.

The course hosts one of the top team tournaments each year with the Central Oregon Shootout that takes place each April. Visit www.aspenlakes.com for more information.

Named to *Golf Digest* 'Best Place to Play' in 2008 and 2009, guests return year-after-year for the Resort's 54 holes of golf (three courses) and unlimited golf packages. They also return for the fully renovated Lodge at Eagle Crest, well-maintained vacation homes, three sport centers, indoor and outdoor pools, multiple tennis, basketball and volleyball courts, miles of hiking and biking trails, spa, and countless recreational pursuits throughout Central Oregon.

When it comes to golf, challenge, variety and value are the top priorities at Eagle Crest Resort. With two championship golf courses, the par-63 Challenge Course, and a popular 18-hole putting course, links lovers are never far from their favorite pastime. Four sets of tees on each course allow the more experienced golfers plenty of challenge, and the less experienced equally enjoyable rounds. And thanks to the lower elevation, The Ridge and Challenge Courses remain open all winter long.

- The Ridge Course – Host of the 1999 and 2002 Northwest Open, and 2006 Oregon Open.

- The Resort Course – Host of the 2011 Pacific Amateur and Oregon High School State Golf Championships since 1991.

- The Challenge Course - Named the Pacific Northwest's best short course by *LINKS Magazine* in 2006.

courses to choose from.

With the Big Meadow and Glaze Meadow golf courses, Black Butte is a golfer's paradise. Each course is provides a different, yet challenging golf experience and both are worth the trip to Central Oregon.

Big Meadow underwent a bunker renovation a few years ago. With the new and remodeled bunkers, the course is even more challenging. The Big Meadow course has undergone changes as well and now features new tee boxes on every hole. The Glaze Meadow course was shut down for a year to complete re-model, by Northwest architect John Fought. The new No.1 hole is a gentle dogleg par-4 and the old twisting par-5 is gone. Behind the first green, trees have been removed for a look at other holes. New bunkers and tees make you feel like you are seeing a new course at Glaze Meadow.

Running Y Ranch Resort

Running Y Ranch, Southern Oregon's only full-service destination resort, is home to the Arnold Palmer Signature Course, Arnold's only course in Oregon. Situated in the heart of the breathtaking Cascade Mountain range, just across the California boarder on the shores of Klamath Lake, the resort's exceptionally mild climate and 300 days of sunshine add up to a four-season recreational paradise.

The Arnold Palmer Signature Course at Running Y Ranch is consistently rated one of the country's best When Arnold Palmer was asked to pick a favorite golf

course from his many designs, he did not chose one, but 16. The list has become known as Arnold's "Sweet 16," and includes his course at Running Y Ranch. "The course at Running Y Ranch is one of my best tracks." – Arnold Palmer.

If you're looking for an Oregon golf resort that has it all, along with plenty of value, you will find it here. Running Y Ranch features a fully renovated, 82-room Lodge and new restaurant,

Lost Tracks Golf Club

Lost Tracks Golf Club in Bend opened in 1996 and was carved out of a stand of Ponderosa pines with lava rock outcroppings and small lakes that give the course a nice peaceful charm.

The bridge to the par-3 16th green is a railroad car, complete with everything you would find in a passenger car including the many bag tags left by golfers from other courses. The course got its name after construction workers found old railroad spikes and train tracks during the early stages of course preparation.

Under owner Brian Whitcomb (former PGA of America President), Lost Tracks has made significant changes. The most recent change is dramatic - the removal of trees and between the 13th and 14th holes and the construction of a series of water features between the two holes, which includes ponds connected with a stream.

River's Edge Golf Course

River's Edge Golf Course in Bend is known for its challenging layout and for

good reason. The course sits on a hillside and features rolling fairways and undulating greens.

Along with its challenges, golfers should be pleased with the amount of positive changes the course has undergone. Tee boxes have been leveled, the fairway on the second hole has been made level, trees and limbs have been removed for better sight lines and the fairway on No. 17 hole has been widened.

Plenty of private clubs

There are plenty of private country clubs in the Central Oregon area as well as public courses. In Bend, there are

three of the top courses in the state with Bend Golf and Country Club, Broken Top and Awbrey Glen.

Bend Golf and Country Club is the oldest, having opened its original nine holes for play around 75 years ago. It became an 18-hole course in 1974 and renovations have helped keep the course up to date. Both Awbrey Glen and Broken Top opened in 1993. Awbrey Glen opened as a public course, but turned private in 2000. Pronghorn is a private golf community and has two courses, which have already received a lot of attention. One is a Jack Nicklaus course and the other is a Tom Fazio course.

Sunriver Resort

If you are seeking a variety of incredible golf courses and want to stay in one place, then Sunriver Resort is the place for you. The Meadows and Woodlands courses are both beautiful and challenging, but are often overshadowed by the attention given to the award-winning Crosswater. Sunriver is a popular resort for families in winter and summer and has all of the activities that you would expect to find at a top resort including a spa, many dining options, a fitness center, and of course the golf. A newest course called Caldera Links is located next to Crosswater, and is a perfect place for your short game practice, although there are some longer holes.

Sunriver's Crosswater course, designed by Bob Cupp and John Fought, is perhaps one of the most visually pleasing courses you will ever come across.

The Little Deschutes River runs through the course and comes into play on many of the holes. Mount Bachelor is visible from several holes and the Deschutes River also can be seen. The course was ranked in the top 100 Greatest in the country by *Golf Digest* and is ranked third in the state.

Widgi Creek Golf Club

Widgi Creek Golf Club in Bend seemed to be in trouble in December of 2004 when the course went into bankruptcy, but Portland businessman Barry Helm stepped in, bought the course and immediately has made some noticeable changes.

In order to get the course back to pristine condition, Helm purchased a new

fleet of maintenance equipment. He also improved the irrigation system and has renovated the clubhouse, including the kitchen and restaurant. Helm's improvements have made Widgi Creek a place you want to stop at when playing golf in Central Oregon.

Meadow Lakes Golf Course

Meadow Lakes Golf Course in Prineville has an interesting background. In 1988 the city of Prineville was looking for a way to treat its water after facing fines of up to \$25,000 a day. The solution was to build some water treatment ponds – and build a golf course around the ponds, which became the Meadow Lakes Golf Course.

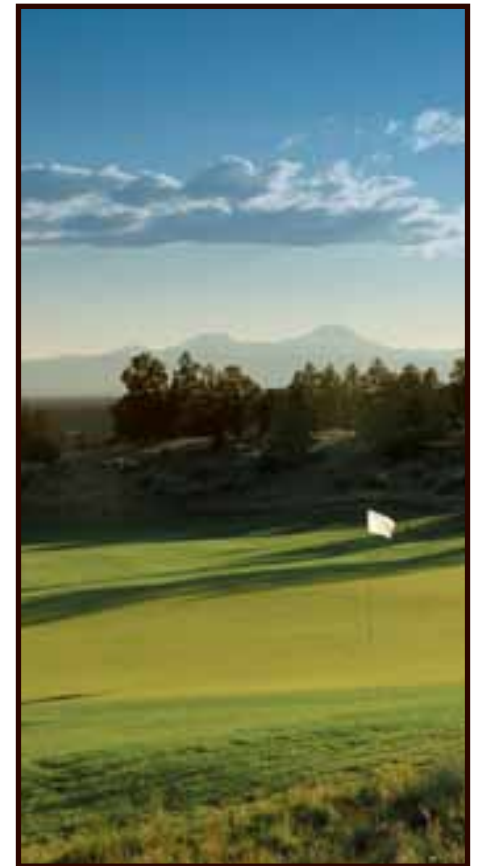

Today, Meadow Lakes is an environmentally friendly golf course that presents a links-style layout with several water hazards to keep you focused. One of those hazards comes into play on the very first hole, a par-5 dogleg right.

Quail Run Golf Course

Quail Run had always been thought of as a terrific nine-holer, but when nine new holes were built, the course suddenly became a Central Oregon hot spot. Quail Run plays to nearly 7,000 yards from the tips and features mountain and desert views. Located just south of Sunriver, the course is worth the few extra miles south.

Tetherow Golf Club

When Tetherow Golf Club in Bend opened for play the course was an award winner right out of the gate. Many of the top golf publications around named

Sunriver's Crosswater is a treat (left); Brasada (right) has great views of the Sisters mountains.

Tetherow as one of the top new courses. And for good reason. The David McLay Kidd design is a challenging layout and offers links golf. The greens are large and undulating and the fairways have some small bunkers to grab those errant shots.

New lodging has helped raise the bar at Tetherow as well.

Brasada Ranch Resort

Brasada Canyons, named Best Resort in the Pacific Northwest by *Condé Nast Traveler*, offers amazing golf, top-notch service, and a front row seat to the natural wonder of Central Oregon. Designed by

native Oregonian Peter Jacobsen and Jim Hardy, the course just outside Bend is undeniably one of Central Oregon's most beautiful and enjoyable. There are 18 distinctive and challenging holes that wind through, across and along the canyons, beginning from 3,272 feet above sea level and climbing to just over 4,000.

Here your ball soars farther, as does your eye, with dramatic, unmatched views of snowcapped Cascade Mountains from nearly every hole. Eighteen holes at Brasada Canyons isn't simply a day of golf, it's an experience never to be forgotten.

Golfers traveling with RVs are catching on

Searching for golf courses with parking for recreational vehicles, golfers find there are several choices and advantages to traveling with an RV that most never experience.

The attraction to RVs is growing and mini vacations are more prevalent as RV owners and renters find it's an attractive alternative to paying for expensive motels and restaurant meals.

Many golf courses around the Pacific Northwest have either upgraded their RV lots or added spaces to their parks. And these are not just any ordinary spots. Most have full hookups with cable television, WIFI connections, laundry rooms, day-rooms and some have swimming pools, kids play stations, dog washing and walking facilities and more. Some RV resorts offer volleyball or other forms of gaming, like Horn Rapids RV Resort in Richland that has shuffleboard, a pool, a dog wash and a full time Activities Director. The RV lifestyle offers wonderful moments that many people never experience like nights sitting around in campchairs visiting with friends.

Imagine waking up in the morning and looking out your front window at a lush and inviting fairway. All is quiet except the sound of a distant mower. You make a pot of coffee and have a leisurely breakfast and enjoy the quietness of nature before you wander over to the clubhouse

for a relaxing round of golf. That is what golfers experience when traveling to the course with an RV.

Driving in an RV has several advantage: a better view of the surroundings (from a motorhome) at a higher vantage point; being able to pull off the road and have a relaxing meal in your home-away-from-home; being able to change your itinerary at will and, most of all, having all of your creature comforts from home with you – your clothes in the closet instead of a suitcase, your favorite brands of food and drink, your own pillow and bed.

With an RV you can sleep in and approach the day on your schedule, knowing that you have all of the creature comforts that you would have at home. Another benefit to RV traveling is the ability to bring the family pet with you, something that is not possible, or at least not comfortable, when traveling by car and staying in motels.

There is a change in the demographics of RV owners, the fastest growing group of RV owners are those between the age of 35 and 44, with the average age being 48.

See page 11 for courses that have RV parks.

A new swimming pool has open as well as a new exercise room. The tennis courts were given a new look a couple of years ago.

Desert Aire is offering a Stay and Play deal for \$100 Monday through Thursday for two rounds and a night's lodging with the RV.

• **Sage Hills:** This Central Washington Golf and RV Resort is a real gem located in Warden, just south of Moses Lake, on Highway 17. It has 42 premium RV spots overlooking the 18-hole course where tree-lined fairways demand golfers to stay focused. The greens are always in great shape and the firm fairways are especially appreciated by travelers coming from the coast. It is a course that will challenge every level of golfer. Other amenities include a swimming pool, day-room and a restaurant and bar that overlooks the course.

• **Sun Lakes:** Sun Lakes in Coulee City is a family-friendly resort. There are over 100 camp sites and several cabins. The water sports are a huge attraction and the Vic Meyers Golf Course is a 9-hole challenge that is a green belt through high desert sage brush. Resort visitors can enjoy a putt-putt course, bike riding, volleyball, hiking or just relaxing in the sun. There are also plenty of sights to

see in the area including the Lake Lenore Caves and the Coulee Corridor, a fantastic drive along Highway 17.

There are plenty of options at Sun Lakes for the RV traveling golfers.

• **Wildhorse:** Far from big city crowds, yet easily accessible for a quick escape, lies an oasis of recreation, relaxation and exhilaration: Wildhorse Resort & Casino in Pendleton. Its 100-space RV Park welcomes travelers to stay at the foot of the Blue Mountains just outside of Pendleton, Oregon.

Full hook-ups are available along with a heated pool and spa, showers and laundry facilities. Just steps away, the championship golf course offers 18 challenging holes featuring lush undulating fairways, silky bent grass greens and panoramic mountain views.

• **Suntides:** Probably one of the best kept secrets in Eastern Washington is Suntides Golf Course and Suntides RV. This 18-hole par-70 course is nestled in a small valley just outside of Yakima near the Naches River and Highway 12, with over 300 days of sunshine each year. While the course is not long at 5,914 yards, it offers plenty of water hazards, lots of trees and well-placed bunkers, giving it some teeth. The course terrain is mostly level making it a hit for golfers choosing to walk. There is a restaurant & lounge, large practice putting green and a driving range on property.

Suntides RV Park is adjacent to the course and has a recently established bike/walking trail near by. The park has manicured grass, mature shade trees, paved roads and sites that provide easy access for big rigs. Past visitors describe it as being super clean with a very friendly staff.
